YALE UNIVERSITY

GRADUATE SCHOOL OF ARTS AND SCIENCES

Petition for Masters' Degrees Only

- If you are enrolled in a Ph.D. program, you should petition for the award of a Master's degree in the semester after the one in which you complete all requirements for that degree. Thus, if your Department awards the Master of Arts or the Master of Science degree upon successful completion of one year's work, you should petition for award of the degree in the fall of your second year. Similarly, if you complete the requirements for the Master of Philosophy during the fall term, you should petition for award of the degree the following May**.**
- If you are enrolled in a terminal Master's program, you should petition to receive the degree in May – even if you expect to complete all requirements during the fall semester. Decisions regarding fall degrees are made before the end of the semester and therefore before fall semester courses are completed.
- SIGN AND DATE the petition below and submit to 246 Church Street, 3rd floor (mailing address: Yale Graduate School, Office of the Registrar, Faculty of Arts and Sciences, P.O. Box 208236, New Haven, CT 06520-8236).
